FIG.5B

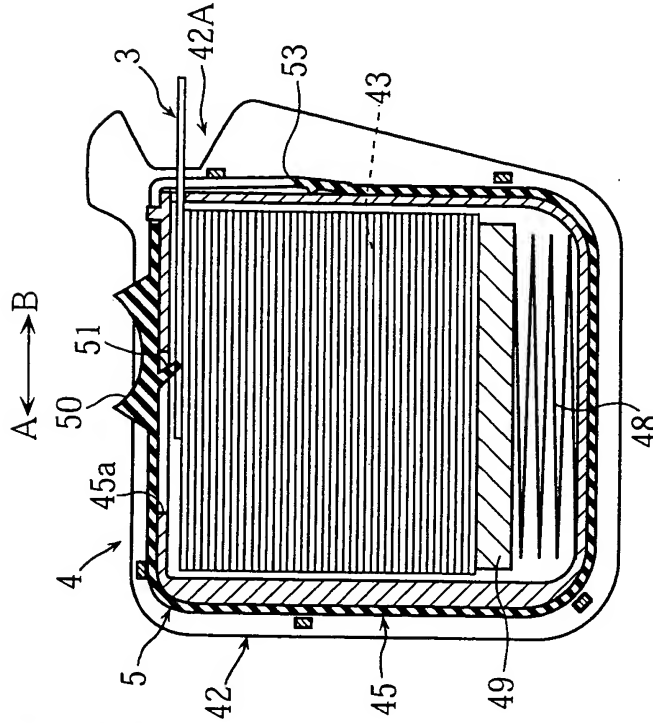

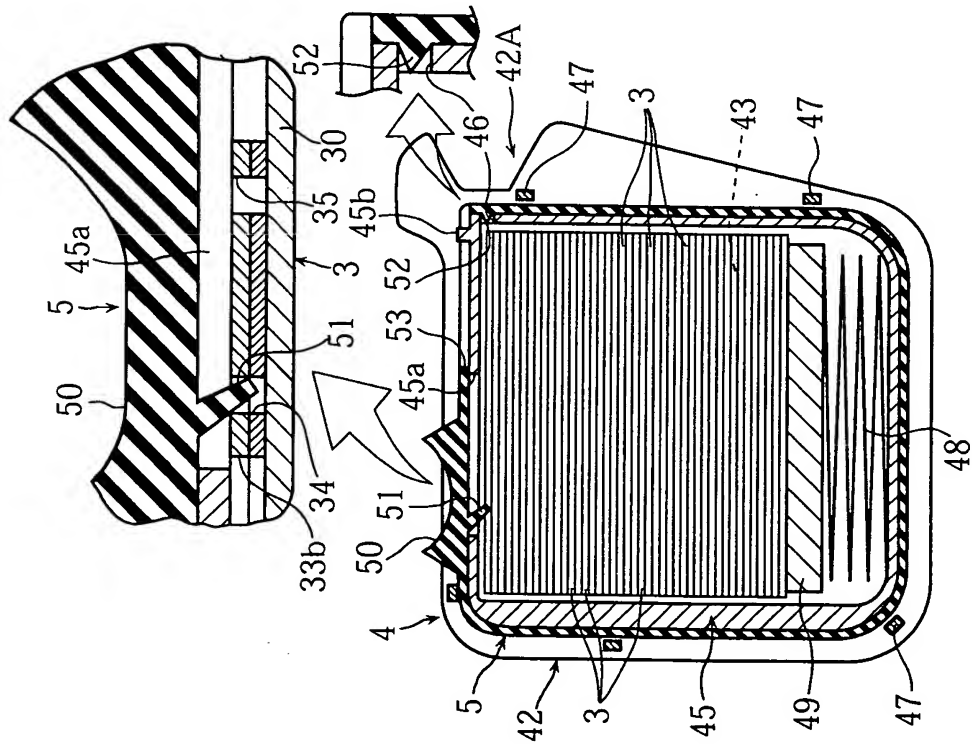

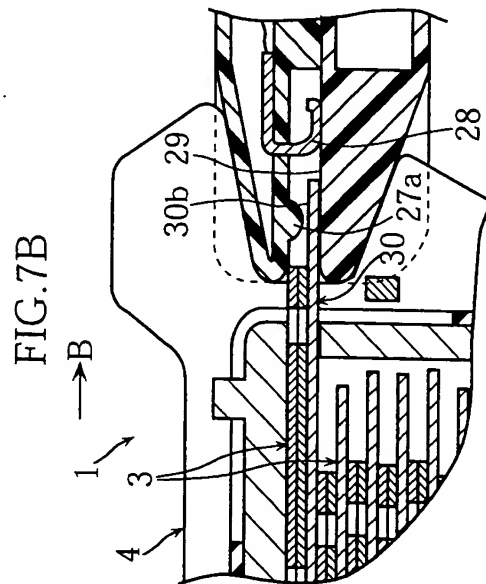

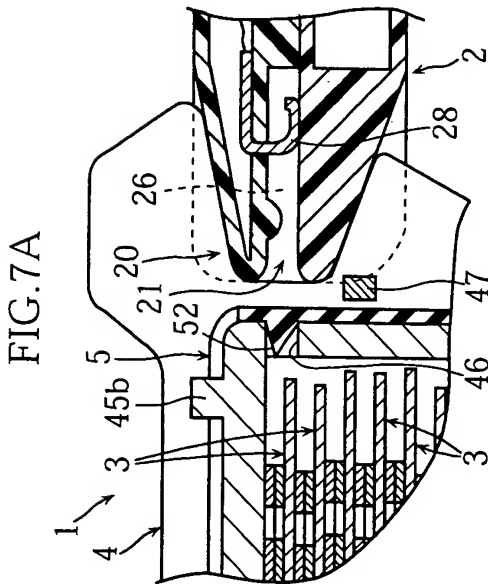

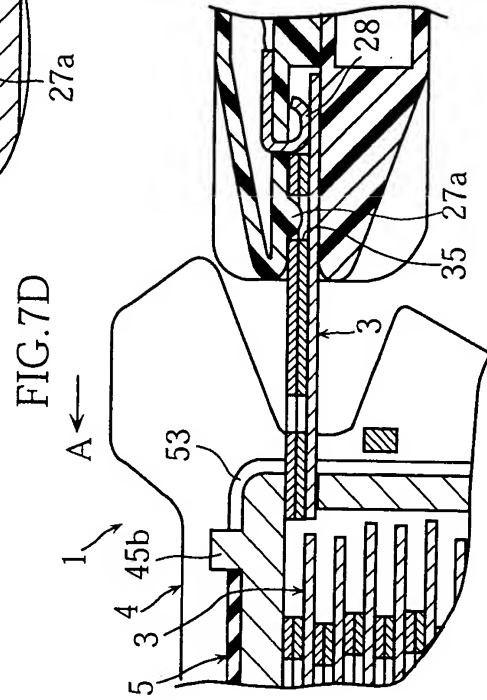

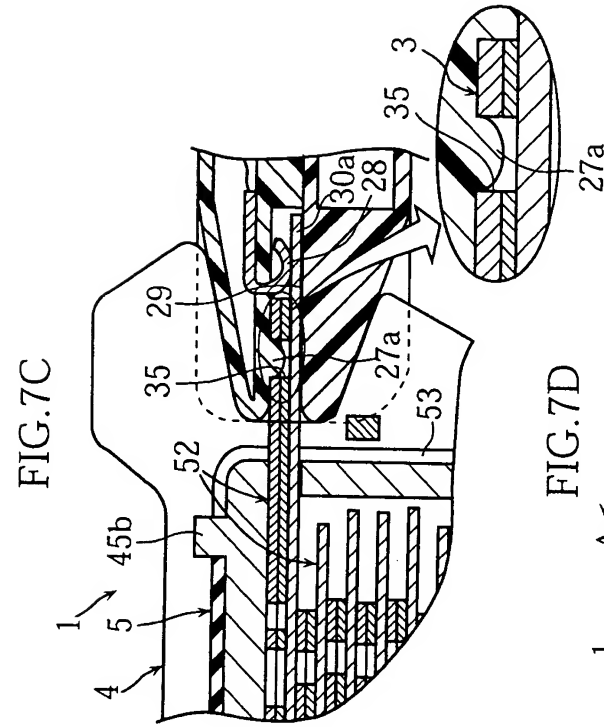

FIG.5A

This diagram shows a cross-section of a vehicle's front end. A dashed line labeled '1' indicates a section cut through the upper part of the vehicle body. The main body structure is shown with diagonal hatching. Key components include:

- 20**: Front fender or hood area.
- 21**: Lower front panel or bumper area.
- 24a**, **24b**: Upper trim or seal pieces at the front edge.
- 27**: A curved structural member or duct.
- 28**: A lower structural member or duct.
- 29**: An internal component or passage between the lower members.
- 42A(44A)**: A specific feature or joint on the right side of the front end.
